

Welcome!

National Core Indicators: Adult Consumer Survey

Audrey Rossi: ajrossi@udel.edu

Katie Howe: Katie.Howe@state.de.us

What is NCI?

- NCI is a voluntary effort by public developmental disabilities agencies to measure and track their own performance
 - 46 participating states
- Collaborative Partnership between:

NASDDDS

NCI addresses key areas of concern...

- Employment and day activities
- Rights
- Home life and community inclusion
- Service Planning
- Choice
- Health and safety

- Influence national and state policy
- Improve practice at the state level
 - Add knowledge to the field
- Inform strategic planning and priority setting

2015-2016 NCI Adult Consumer Survey

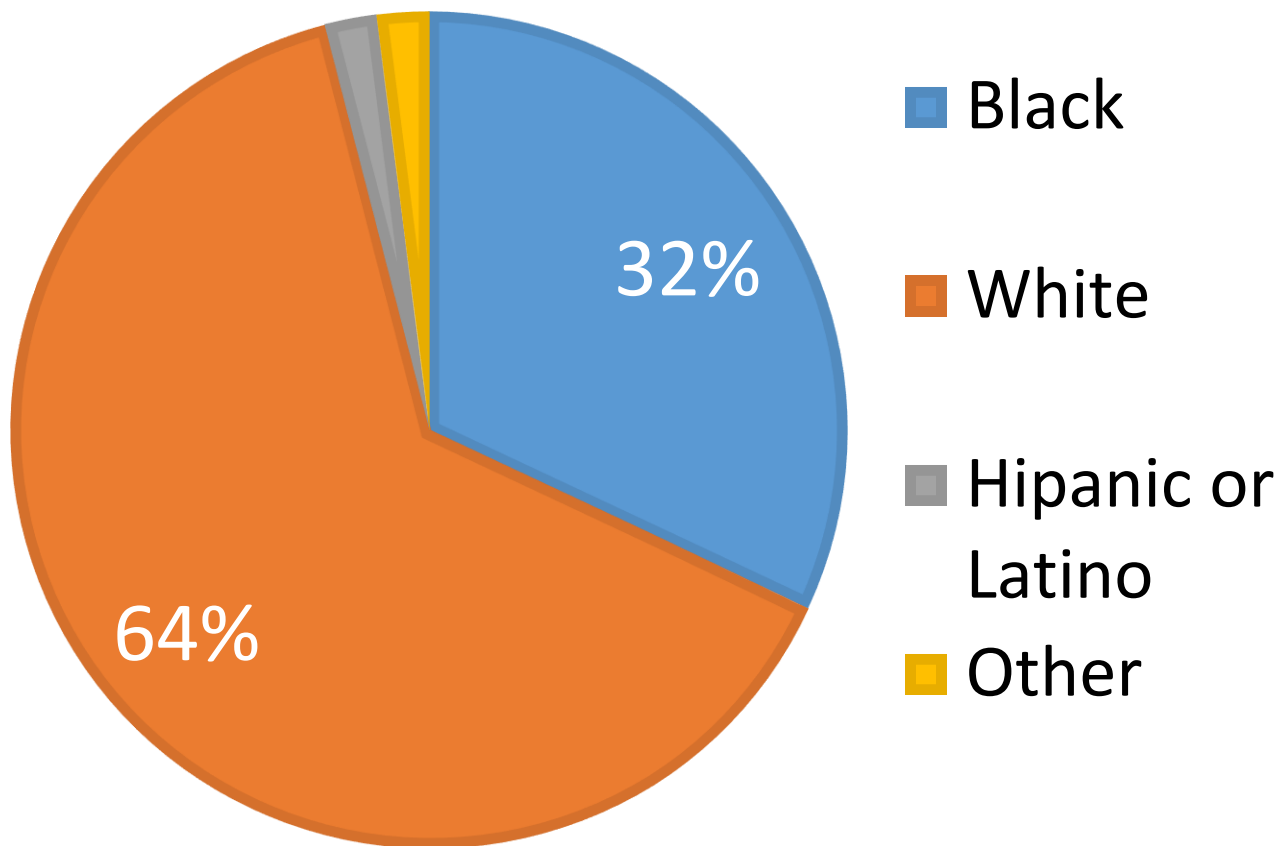

- Standardized, face-to-face discussion with the adult receiving services
 - No pre-screening procedures (random sample)
- Background Information collected from case managers
- Subjective and objective questions asked in person
 - 2015-16 Data released in March

Community Inclusion

Has gone out for errands at least once in the past month

next steps

- Over the next year we will:
 - Spread awareness of NCI
 - Distribute infographic fliers
 - Have a presence at conferences and fairs
 - Present data to case managers
 - Determine which specific areas of service provision the community would like to see improved
 - Host focus groups
 - Ask community members about their top priorities for improved services
