

Project-specific funding by domain

This chart shows the proportion of the budget expended in support of each of the Center's programmatic domains. The infrastructure domain includes those funds that support overall Center operations rather than domain-specific activities.

Funding by Domain | FY 2022

Domain	Amount
School-age	\$1,632,114
TEEM	1,020,269
Interdisciplinary Pre-Service Training	853,466
Assistive Technology	710,835
Health & Wellness	538,035
Infrastructure	453,065
Communications & Advocacy	168,692
Grand Total	\$5,376,476
